

WILD OCEAN

PRESENTED BY **NOKIA**

FACT SHEET

Title:	<i>Wild Ocean</i>
Formats:	2D and 3D (Available in 15/70, 10/70, and 8/70)
Description:	Each year a feeding frenzy of sharks, dolphins, whales and other big game fish takes place along the Wild Coast of South Africa, as billions of sardines migrate up the KwaZulu-Natal Coast. <i>Wild Ocean</i> delves into this underwater struggle and examines the effects that global warming and over fishing have had on the great migration and local people.
